

Nneenah imagemax[®] paper card

Features

Benefits

100% paper based card.

Paper cards offer an environmentally friendly alternative to traditional plastic cards.

Smooth bright white coated paper specifically engineered to deliver exceptional printing and decorating results:

- Hot, cold foils
- Spot, matte coatings
- Four-color printing

Crisply communicate your brand message.

Made with 30% PCW fibers/recyclable.

Smart, sustainable choice.

FSC[®] Certified

Meets the mark of responsible forestry.

Suitable for all traditional stored value card converting techniques:

- Magnetic stripe
- Scratch and/or peel off panels
- Bar coding
- Signature panel
- Die cutting
- Affixing

The ultimate flexibility in card design to truly differentiate on shelf.

Stocked in 28pt.

Product readily available for all your stored value card needs, e.g. gift cards, loyalty cards, promotional cards.

Customized color interior available.

Create a custom card including a color of your choosing, to further differentiate your card in the market.
