

N label papers

bella® label papers

Features	Benefits
NEW lighter weights	Performs for small diameter bottle applications
Manufactured with wet strength additive	Increases resistance to tearing or shriveling in moist environments
Engineered specifically to meet the challenges of label printing applications	Proven Performance
FSC® Certified	Meets the mark of responsible forestry
Beautifully Durable	Performs extremely well on high-speed presses and labeling lines
Manufactured acid free with archival properties	Permanence

classic® label papers

Features	Benefits
Premium look and feel of our CLASSIC® Brand family	Cohesive look for label packaging identity and promotional material
Specially manufactured for high speed bottling and packaging lines	Proven Performance
Easily accepts lithography, die-cutting, embossing, and foil stamping	Maximize your creative options
FSC® Certified	Meets the mark of responsible forestry
Green Seal™ Certified <ul style="list-style-type: none">• Recycled Solar White	Manufactured with a minimum of 30% post consumer fiber and meets federal procurement guidelines.
Manufactured acid free with archival properties	Permanence

estate label® papers

Features	Benefits
Manufactured with wet strength additive	Increases resistance to tearing or shriveling in moist environments
Specially manufactured for high speed bottling and packaging lines	Proven performance for over 40 years with premium look and feel
FSC® Certified	Meets the mark of responsible forestry
No. 8 Bright White and No. 14 PC100 Bright White features Special Surface Treatment (SST)	Unmatched print performance with excellent press registration to maximize your creative options
Easily accepts lithography, die-cutting, embossing, and foil stamping	Maximize your creative options
Offered in five popular textures	Wide variety to carry targeted brand stories
Digital Pressure Sensitive wet strength label options	Ready for quick turn digital label applications
100% Post Consumer Fiber selections	Environmentally responsible meeting the needs of the eco-conscious consumer
Manufactured acid free	Permanence
